

THE FIRST AND ONLY (NEA CERTIFIED) HOUSING PROJECT

BROUGHT TO YOU BY GLOBAL PROPERTIES

## "Greenville is the next preferred place to live in the Gambia"

Welcome to the Greenville Estate located in the heart of Gunjur. Just minutes from the Gunjur highway, Greenville is easily accessible with developed roads leading to the estate. With 673 plots of land available, Greenville is the next preferred place to live in the Gambia. Located in a serene and nature oriented environment, peace of mind and quality living is achievable. Beautiful trees grace the landscape as you drive to the estate.

THE FIRST AND ONLY NEA CERTIFIED HOUSING PROJECT

#### "In the heart of Gunjur, just minutes from the Gunjur highway"

Represented through it's name, the Greenville Estate is the first community in the Gambia certified by the National Environment Agency for compliance and promotion of an environmentally friendly atmosphere. Our investment in this project also promotes access to the essential infrastructure elements such as water, electricity and internal roads. The estate is move in ready. Purchase a plot today and start construction immediately. Additional amenities including market, commercial areas, football field, mosque, church and so much more.

# GREENVILLE GUNJUR SIFOE

Market

Water & Electricity

Access Roads

Mosque Church

Football Field

Market

At Greenville, you will find your land with access to water and electricity preinstalled for your convenience

We have also provided service roads for all 673 units, that way accessibility, especially for first time buyers will not be an issue

The site and service scheme will offer places of worship for homeowners within the community

A football field and park area will be available for recreational use

A commercial area including a market will also be provided for residents of the estate
